

Commission A (Electromagnetic Metrology) Activity Report

January 2016 - May 2016

1. International Meetings in the Period

Precise Time and Time interval Systems and Applications (PTTI) 2016 was held at Monterey, USA from January 25 to 28, which is co-located with the ION International Technical Meeting

International Microwave Symposium (IMS 2016) was held at San Francisco, USA from May 22 to 27, 2016 which is co-located with IEEE Radio Frequency Integrated Circuits Symposium (RFIC 2016).

87th Automatic RF techniques Group (ARTFG) meeting regarding measurements for Emerging communications technology was held in San Francisco, USA at May 27, 2016.

30th European Frequency and Time Forum (EFTE2016) was held in York, UK from April 4 to 7, 2016.

2016 IEEE International Frequency Control Symposium (IFCS 2016) was held in New Orleans, USA from May 9 to 12, 2016.

2. Future meetings

URSI Asian-Pacific Radio Science Conference (AP-RASC 2016) will be held at Seoul, Korea from August 21 to 25, 2016, which is in conjunction with Asia-Pacific Workshop on Time and Frequency (ATF 2016).

9th Global Symposium on Millimeter-Waves (GSMM 2016) will be held in Espoo, Finland from June 6 to 8, 2016 which covers millimeterwave and THz antennas, circuits, devices.

International Conference on Electromagnetics in Wireless Communications (ICEAA 2016) will be held at Cairns, Australia from September 19 to 23, 2016 in conjunction with IEEE-APS Topical Conference on Antennas and Propagation in Wireless Communications (IEEE APWC 2016)

86th Automatic RF Technique Group Symposium with the topic of Microwave

Measurement with Application to Bioengineering and Biomedicine will be held at Atlanta, USA from December 1 to 4, 2016.

Conference on Precision Electromagnetic Measurements (CPEM 2016) will be held at Ottawa, Canada from July 10 to 15, 2016.

Precise Time and Time interval Systems and Applications (PTTI) 2017 will be held at Monterey, USA from January 30 to February 2, 2017 which is co-located with the ION International Technical Meeting.

The annual International Symposium of GNSS (IS-GNSS) will be held in Tainan, Taiwan from December 5 to 7, 2016, which is focused on the global navigation satellite system (GNSS)

International Conference on Space Optics (ICSO 2016) will be held at Biarritz, France from October 18 to 21, 2016, which is organized by ESA and CNES.

Conference on Laser and (CLEO 2016) was held at San Jose, USA from June 5 to 10, 2016, which is focused on Laser Science to Photonic Applications.

International Conference on Microwave and Millimeter Wave Technology (ICMMT 2016) was held at Beijing, China from June 5 to 8, 2016.

Asia Pacific Microwave Conference (APMC 2016) will be held at New Delhi, India from December 5 to 9, 2016.

41st International Conference on Infrared, Millimeter and Terahertz Waves (IRMMW-THZ 2016) will be held in Copenhagen, Denmark from September 25 to 30, 2016

37th Progress In Electromagnetic Research Symposium (PIERS 2016) will be held in Shanghai, China from August 8 to 11, 2016.
