

Commission A (Electromagnetic Metrology) Activity Report

Nov 2016 - Mar 2017

1. International Meetings in the Period

86th Automatic RF Technique Group Symposium with the topic of Microwave Measurement with Application to Bioengineering and Biomedicine was held at Atlanta, USA from December 1 to 4, 2016.

Precise Time and Time interval Systems and Applications (PTTI) 2017 was held at Monterey, USA from January 30 to February 2, 2017 which is co-located with the ION International Technical Meeting.

The annual International Symposium of GNSS (IS-GNSS) was held in Tainan, Taiwan from December 5 to 7, 2016, which is focused on the global navigation satellite system (GNSS)

Asia Pacific Microwave Conference (APMC 2016) was held at New Delhi, India from December 5 to 9, 2016.

88th Automatic RF techniques Group (ARTFG) meeting regarding power amplifiers and systems design for wireless applications was held in Austin, Texas, USA at December 6 to 9, 2016

2. Future meetings

International Conference on Microwave and Millimeter Wave Technology (ICMMT 2017) will be held at Singapore, from May 4 to 6, 2017.

Conference on Laser and Electro-Optics (CLEO 2017) will be held at San Jose, USA from May 14 to 19, 2017, which is focused on Laser Science to Photonic Applications.

38th Progress In Electromagnetic Research Symposium (PIERS 2017) will be held in St Petersburg, Russia from May 22 to 25, 2017.

10th Global Symposium on Millimeter-Waves (GSMM 2017) will be held in Hong Kong, China from May 24 to 26, 2017 which focuses on millimeter wave and THz sensing and communications.

International Microwave Symposium (IMS 2017) will be held at Honolulu, Hawaii,

USA from June 4 to 9, 2017, which is co-located with IEEE Radio Frequency Integrated Circuits Symposium (RFIC 2017) and 89th Automatic RF techniques Group (ARFTG) conference.

Conference on Laser and Electro-Optics (CLEO Europe 2017) will be held in Munich, Germany, from June 25 to 29, 2017 in conjunction with European Quantum Electronics Conference (IQEC).

European Frequency and Time Forum (EFTF-IFCS2017) will be held in Besancon, France from July 9 to 13, 2017 which joins International Frequency Control Symposium.

International Conference on Electromagnetics in Wireless Communications (ICEAA 2017) will be held at Verona, Italy from September 11 to 15, 2017 in conjunction with IEEE-APS Topical Conference on Antennas and Propagation in Wireless Communications (IEEE APWC 2017)

Asia Pacific Microwave Conference (APMC 2017) will be held at Kuala Lumpur, Malaysia from November 13 to 16, 2017.

41st International Conference on Infrared, Millimeter and Terahertz Waves (IRMMW-THZ 2017) will be held in Cancun, Mexico from September 25 to 30, 2016
Precise Time and Time interval Systems and Applications (PTTI) 2018 will be held at Reston, USA from January 29 to February 1, 2018 which is co-located with the ION International Technical Meeting (ITM 2018).

Conference on Precision Electromagnetic Measurements (CPEM 2018) will be held at Paris, France from July 8 to 13, 2018, which is hosted by LNE and CNRS.
