2019 URSI-Japan Radio Science Meeting

The University of Electro-Communications, Tokyo, Japan
September 5-6, 2019
<http://www.ursi.jp/conference/jrsm2019/>

The “URSI-Japan Radio Science Meeting” (URSI-JRSM) is the URSI conference organized by the Japan National Committee of URSI (JNC-URSI). The URSI-JRSM provides a regional scientific forum for radio scientists and engineers in Japan and the Asian region. The objective of the Meeting is to review current research trends, present new discoveries, and make plans for future research and special projects in all areas of radio science, and a particular emphasis is placed on enhancing the visibility of URSI in the Asian countries and encouraging young scientists to contribute to various URSI activities.

The URSI-JRSM 2019 will have a scientific program including oral and poster sessions, keynote lectures, and invited talks from all the 10 URSI Commissions.

Call for Papers:

The oral and poster sessions cover scientific activities by the URSI Commissions A-K:

- Commission A: Electromagnetic metrology
- Commission B: Fields and waves
- Commission C: Radiocommunication systems and signal processing
- Commission D: Electronics and photonics
- Commission E: Electromagnetic environment and interference
- Commission F: Wave propagation and remote sensing
- Commission G: Ionospheric radio and propagation
- Commission H: Waves in plasmas
- Commission J: Radio astronomy
- Commission K: Electromagnetics in biology and medicine

Prospective authors are invited to submit a one-page abstract via the URSI-JRSM 2019 website by **July 26, 2019**. Please visit the Conference website for instructions of paper submissions.

Student Paper Competition:

Any full-time university student who is the principal (first-named) author and the presenter of a paper at the URSI-JRSM 2019 can apply for the Student Paper Competition (SPC). Applications should be completed by **July 26, 2019**. Every SPC applicant must submit a one-page abstract, a full-length paper (4 pages), and a certification letter by his/her advisor. Please visit the URSI-JRSM 2019 website for details of the SPC applications.

The SPC Special Issue is planned to be published in the URSI *Radio Science Bulletin*. The winners of the SPC program will be invited to submit their papers for publication in this Special Issue.
